Home Heating Monitor

Please Fax (508) 945-5693/ Mail this form to Whiteley Fuel Oil Company
P O Box 1468 West Chatham MA 02669

Whiteley Fuel Oil Company will install the SecureHeat 32 Monitor to its Automatic Fuel Oil Delivery Customers only. Installation will include: Connection of SecureHeat control to existing phone connection, one oil burner lock out control, one low-temperature sensor, and one fuel re-order sensor where possible.

By signing this agreement the Whiteley Fuel Oil customer understands and accepts the following :

1. Whiteley Fuel Oil (WFO) requires all SecureHeat customers to be on automatic fuel oil delivery and their account to be in good standing order. Failure to do so will terminate this agreement immediately with no refund.
2. This agreement will be automatically renewed one year from contract date unless terminated by customer and WFO is notified in writing.
3. The customer shall provide a key and access to the residence and shall maintain a working phone system.
4. This agreement does not cover any charges for service contracts, oil burner service, emergency service calls, or fuel deliveries.
5. WFO (and its subcontractors) are not caretakers and assume no associated responsibility for the property. The SecureHeat monitor is designed to monitor for burner lockout, low-temperature at one location in the house, and low fuel level in the oil tank. It is specifically not a whole house low temperature monitoring system. The customer holds WFO harmless for system failures including but not limited to those caused by: power failure, telephone service disruption, and equipment malfunction, that result in damages to the property.
6. The customer must provide WFO with any changes in service in writing.

I wish to purchase the SecureHeat Monitor installed. \$ 450.00 x _____.

In addition to the purchase price there will be a yearly \$ 50.00* monitoring fee, after the second year.

I wish to rent the SecureHeat Monitor installed for \$ 175.00* per year. x _____.

All equipment remains the property of WFO.
