

# PRICING PROGRAMS 2011 / 2012 SEASON

Available while supplies last.

## PLAN 1

**Pre –Paid Fixed Price Program - Payment by Check/Cash/Credit Card                    \$ 3.79**

You determine the total gallons you will purchase for the heating season. We can assist with the estimated gallons. When all gallons purchased are used you will be charged the daily market rate for further deliveries. You may purchase Price Protection Insurance at \$.28 per gallon on the total gallons purchased. The price will not go higher, but with the insurance the price will lower as the Whiteley Fuel Oil Daily Market Price goes down. The total cost of insurance and fuel is due by October 1, 2011. No refunds will be given during the contract period. Please see Terms and Conditions for details.

## PLAN 2

**Fixed Price – Pay as you use Program - Payment by Credit Card only                    \$ 3.89**  
**Credit Card will be processed the day after delivery**

You determine the total gallons you would like to purchase for the heating season. We can assist with the estimated gallons. We will charge your credit card after every delivery until gallons are used. When all gallons purchased are used you will be charged the daily market rate for further deliveries. You may purchase Price Protection Insurance at \$.28 per gallon of the total gallons purchased. The price will not go higher, but with the insurance the price will lower when the Whiteley Fuel Oil Daily Market Price goes down. Insurance is due by October 1, 2011

## NO PLAN / MARKET PRICE

In addition to these Fixed Price Programs, we also offer delivery at the daily market price. Pricing will go up and down with the Daily Fuel Market. You may call for delivery or sign up for worry free automatic delivery. If you are interested in setting up a budget plan, please call our office.
